About SLA

Special Libraries Association (SLA), USA:
The Special Libraries Association (SLA) with its headquarter at USA, is a non-profit global organization for information professionals and their strategic partners. The Special Libraries Association, USA established in 1909 (more than 111 years old) is one of the largest professional non-profit association across Globe with approximately 4,000 members in 83 countries with 50 communities. For further details Please visit <https://www.sla.org>

SLA Asia Community

The Asia Community of SLA is one of the fastest growing community with members from around the Asia and world. It has over 100 members from India, Indonesia, Laos, Macau, Malaysia, Myanmar, Mongolia, Nepal, Pakistan, Philippines, Singapore, South Korea, Sri Lanka, Taiwan, Thailand, Vietnam, Australia, UK, and USA. For further details Please visit <https://connect.sla.org/asia/>

Korea Special Library Association (KSLA)

The Korea Special Library Association (KSLA) has history of 48 years with members of 142 libraries in governments, research institutes, companies, and universities. Its purpose is information exchange, knowledge sharing, educational and research activities, and international cooperation for the advancement of special libraries. For further details Please visit <http://www.ksla.info>

National Library of Korea (NLK)

Since its establishment in 1945, NLK, as the library that represents Korea, has collected and organized domestic and foreign knowledge information resources for citizens to use conveniently, passed down and preserved knowledge culture for future generations and supported the development of domestic library field. For further details Please visit <http://www.nl.go.kr/>

Korea Institute of Science and Technology Information (KISTI)

Since 1962, KISTI has played a role of National Science & Technology Information Center to provide information that researchers need to enhance the national competitiveness as a specialized science & technology research institute supported by the government. For further details Please visit <https://kisti.re.kr>

Conference Objectives

The principal objective of this international event is to provide a platform for exchange of knowledge and skills relevant to Information Professionals in Asia with a global perspective. This conference will offer an opportunity to put forward innovative plans, debate classic ideas, and promote closer cooperation among colleagues. It will solicit high quality research papers and provide an international forum for researchers, developers and practitioners to present applied and theoretical research findings.

Some of the major objectives are to:

- Ensure that information professionals are aware of the latest developments in the library and information field
- Bring together the dispersed community of library professionals to share their experiences through a common platform.
- Assist special libraries and special library professionals in implementing their development plans
- Strengthen academic collaboration and strategic alliances for the development of special libraries

ICoASL History:

- First ICoASL 2008 was held in **New Delhi, India** during 26-28 November 2008
- Second ICoASL 2011 was held in **Tokyo, Japan** during 10-12 February 2011
- Third ICoASL 2013 was held in **Manila, Philippines** during 10-12 April 2013
- Fourth ICoASL 2015 was held in **Seoul, South Korea** during 22-24 April 2015
- Fifth ICoASL 2017 was held in **Yogyakarta, Indonesia** during 10-12 May 2017
- Sixth ICoASL 2019 was held in **Delhi, India** during 14-16 February 2019
- Seventh ICoASL 2021 is organizing in **Seoul, South Korea** during **24-26 November 2021**

Audience: Who should attend?

This major event expects global participation by information scientists and professionals involved in library research, information resource management, technology application, and other related disciplines in the field of library and information studies. Some of the broad categories of participants are as follows:

- Library and information science professionals
- Information technology professionals
- Policy makers
- Educationists and academicians
- E-learning communities
- Content and knowledge managers

Collaboration with **KSLA**, **NLK**, **KISTI**

Program Structure

The conference program will include plenary sessions, invited and contributed papers, poster sessions, product presentations, panel discussions and an exhibition. A series of parallel sessions will be held offering delegates a wide range of in depth presentations by leading national and international experts at:

24th- 25th Nov. 2021: National Library of Korea
26th Nov. 2021: Social and Library Tour

Thematic areas

ICoASL is where the latest trends and successful cases of special libraries are shared. The 2021 conference will discuss all aspects of special libraries such as: the proposal of innovation to turn the crisis of COVID-19 into a leap of opportunity in the wake of the social changes caused by the pandemic, suggestion of new policies to prepare for a new future, and cases of successful outcomes in special libraries. Each theme will be divided into several sub-themes as detailed below, but not necessarily limited to:

Future of Special Libraries in Post-Corona Virus Era

- Re-opening of Libraries after COVID-19
- Library Issues about COVID-19
- Future of Libraries
- Special Libraries in Asia and globe
- Role of Library Associations
- Role of SLA in future of Libraries
- Special Libraries after 10 years

Rethinking roles and skills of Librarians

- Skills in data mining
- Skills in Web development
- Building capacity measures
- Online learning
- Information visualization
- Semantic searching
- Location intelligence
- Effective time management
- Research Data Management
- Improving Digital literacy

Inclusive Library in Digital Era

- Open source software for people with disabilities
- Assistive Technologies for disabled people
- The disability divide in access of online resources

Big Data

- Impact of Big Data on Library Management
- Libraries' Role in Curating and Exposing Big Data
- Strategies and Challenges in Archiving and Sharing Research Data
- Big Data Collection and Storage
- Big Data Mining
- Role of Libraries in data Management and Analysis

Information Resources and Services

- E-Referencing and New Referencing Techniques.
- Delivery Methods and Mechanisms
- Measuring Service Quality
- Sustainable Information Resources
- Offshoring and Outsourcing
- Content Creation and Management
- User Satisfaction

Information Society: Emerging Paradigm

- Information Society: Best Practices in Special Libraries -Asian Perspective
- The Design and Role of Information Centres
- Information Systems: Case Studies
- Mapping Community Participation Patterns
- Information Divide and Deprivation
- Private and Public Partnership in Information Development
- Funding Opportunities

Information Technologies

- Information Warehousing and Storage
- Retrieval and Access Mechanisms
- Information Tools/Technology: State of the Art
- Artificial Intelligence application in Libraries

Information Objects and Products

- Digital Libraries Institutional Repositories
- E-journals Management
- Information Sharing Models/Consortia
- Information Networks and Protocols
- Standards, Copyright, licensing and IPR Issues
- Repositories

Information and Business

- Information Entrepreneurship : Scope and Prospects
- Information Marketing
- Customizing Info Service
- Skills and Competency Development
- Skill Upgradation and Career Advancement

LIS Education, Training & Research

- Continuing and Life Long Learning and role of SLA
- E-learning Modules

Collaboration with KSLA, NLK, KISTI

- Incubation and Training Centres
- LIS Education, Research and LIS School

Other Contemporary issues

- New roles of the Libraries and Librarians
- Subject Specialist
- Information Literacy
- Impact of Social Media
- Future of the Profession
- Organization of Information
- Open Access
- Disclosure of Information
- Intellectual Property
- Smart Libraries for future
- Mobile Libraries
- Open Access and Open Education
- Library Spaces
- Social Media in Libraries
- Content Curation

Paper Submission Guidelines

Participants are invited to contribute papers for presentation on the above themes and other related aspects. The papers should be based on research surveys; case studies or action plans rather than theoretical explanations. Papers should be sent to icoasl2021@gmail.com or asianchapter@gmail.com

Extended abstract containing gist of the paper enumerating the objective, methodology etc. in about 500 words is to be sent within the stipulated date. Submission of full papers with an abstract in approximately 200 words, keywords and references on A4 size paper with margin 1.5 cm on all side in MS Word format in 10 points New Times Roman type single line spacing. Length of the paper should not exceed 4000 words. Details such as name of the author, designation, title of the article, abstract, name of the affiliating institution, mailing address, telephone number, fax number and E-mail address are to be included. The contributors will get intimation regarding the acceptance of the paper by the Program Committee. The paper submitted for presentation should not have already been published/ presented elsewhere. The Program Committee will have the right to edit the papers. Selected papers will be published in the proceedings.
