## COLLNET

A very warm welcome to the 17<sup>th</sup> International Conference on Webometrics, Informetrics and Scientometrics (WIS) and the 22<sup>nd</sup> COLLNET Meeting, 2023 which is scheduled to held from 08 to 10 December 2023 at Dhaka, Bangladesh organized by COLLNET in association with Society for Library Professionals (SLP) and Asian Community, Special Libraries Association (SLA) hosted by Dr. S. R. Lasker Library, East West University.

COLLNET has a journey of glorious twenty-one years along with organizing the International Conferences on Webometrics, Informetrics and Scientometrics (WIS), held in Berlin (Germany) in 2000, New Delhi (India) in 2001, Sydney (Australia) in 2002, Beijing (China) in 2003, Roorkee (India) in 2004, Stockholm (Sweden) in 2005, Nancy (France) in 2006, New Delhi (India) in 2007, Berlin (Germany) in 2008, Dalian (China) in 2009, Mysore (India) in 2010, Istanbul (Turkey) in 2011, Seoul (Korea) in 2012, Tartu (Estonia) in 2013, Ilmenau (Germany) in 2014, New Delhi (India) in 2015, Nancy (France) in 2016, Canterbury (UK) in 2017, Macau in 2018, Dalian (China) in 2019 and Bangkok (Thailand) in 2022.

COLLNET 2023 will provide a unique platform for the Librarians, Information Professionals, Researchers and Practitioners to share experiences, ideas, research results, meeting and networking on all aspects of webometrics, informetrics and scientometrics. For details, please visit <https://www.collnet.de>  
<https://slp.org.in/COLLNET>

**Special Libraries Association (SLA), USA** The Special Libraries Association (SLA) with its headquarter in USA, is a non-profit global organization for information professionals and their strategic partners.

The SLA was established in the year 1909; it is more than hundred-year-old organization. It is reckoned as one of the largest professional non-profit association across Globe with 4,000 members in 83 countries. The wide range of professional activities undertaken by this association can be gauged by the fact that it has 75 communities. For further details visit <http://www.sla.org>

### SLA Asian Community

The Asian Community of SLA is one of the fastest growing Community with members from Asian and Western countries. It has more than 150 members from India, Indonesia, Laos, Macau, Malaysia, Myanmar, Mongolia, Nepal, Pakistan, Philippines, Singapore, South Korea, Sri Lanka, Taiwan, Thailand, Vietnam, Australia, UK, and USA. For details, please visit <http://asia.sla.org>

### Society for Library Professionals (SLP)

The Society for Library Professionals (SLP) was founded in the year 2008 under the Societies Registration Act 1860. The role of this Society is to achieve high standards in the field of librarianship. This will be achieved by the development of strong linkages among libraries and information centers across the globe; advancement of library and information science profession in India by fostering collaboration with national and international agencies; and also by promoting educational exchange programs with global partners. For further details visit <http://www.slp.org.in>

## Scope

The broad aim of the conference is collaboration and communication in science and technology; science policy; quantitative aspects of science of science; and combination and integration of qualitative and quantitative approaches in study of scientific practices. The conference strives to contribute evidence-based and informed knowledge about scientific research and practices which may then be used to drive the formulation of institutional, regional, national, and worldwide research and innovation policy.

### Some of the major objectives are to:

- Ensure that information professionals are acquainted with the latest developments in the library and information world.
- Bring together the dispersed community of library professionals to share their experiences through a common platform.
- Assist libraries and library professionals in implementing their development plans.
- Learn innovative library tools and technologies used to create and deliver better library support services.
- Strengthen academic collaboration and strategic alliances for the development of special libraries.

### Prospective Participants: Who should attend?

This major academic and professional event anticipates global participation. Information scientists and professionals involved in library research, information resource management, technology application and other related disciplines in the field of library and information studies are welcome to participate. The following are the various categories of professionals who are expected to register for the conference.

- Content and knowledge managers
- Educationists and academicians
- E-learning communities
- Information technology professionals
- Knowledge workers
- Library and information science professionals
- Policy makers
- Scientists

### Program Structure

The conference program will include plenary sessions, invited and contributed papers, poster sessions, product presentations, panel discussions and an exhibition. A series of parallel sessions will be held offering delegates a wide range of in-depth presentations by leading national and international experts at.

### Thematic Areas

The conference will cover theoretical, methodological and applied topics in academia which will comprise the following issues, but not necessarily limited to:

- Bibliometrics, Scientometrics, Webometrics/Cybermetrics, Informetrics and Altmetrics
- Snowball Metrics
